

Thank you for downloading our music!

You have the lifetime rights to use the music for all your **multimedia** projects, as long as **credit us!** You can do so by adding our website URL to the description of your project. A **good example** of how to credit us would be: "music by: <http://www.sawsonic.com>"

We wish you good luck with your project and we hope you want to share it with us! We love to hear your story and in return we can offer you a nice **discount** on our products. You can share your project with us via social media or via [email](#).

Really like our music? You can help us by [donating](#) a little amount (at bottom of our website). This helps us to keep writing royalty free music for everyone!

Do you need any customization? Feel free to contact us via [email](#).

Not sure if you can use our music for free?

Make sure you have read the [licensing information](#) and [FAQ](#) on our website. Still not sure? then contact us via [email](#).

In at least the following cases you'll need to **buy a license** from our website:

- You can't or don't want to credit us
- You want to play our music in public. (restaurants, bars, events, shops, shows, etc)
- You want to use our music in (online) advertisement.
- You want to use our music in software, games or apps.
- You want to use our music for TV, radio, cinema broadcasting or any sort of public screening.
- You can edit our music in length and sound so it fits your needs but you are **NOT allowed to remix or add vocals or elements to our music and make a new song.**
