

Thank you for downloading our music!

You have the lifetime rights to use the music for all your multimedia projects, as long as **credit us!** You can do so by adding our website URL to the description of your project. **A good example** of how to credit us would be: “music by: <https://www.sawsonic.com>”

We wish you good luck with your project and we hope you want to share it with us! We love to hear your story and in return we can offer you a nice **discount** on our products. You can share your project with us via social media or via [email](#).

Not sure if you can use our music for free?

In at least the following cases you'll need to buy a **Commercial License** from our website:

- You can't or don't want to credit us
- You want to receive the music in .WAV format

You can read our [licensing information](#) and [FAQ](#) on our website. Still not sure? Then please contact us via [email](#).

You can edit our music in length and sound so it fits your needs but you are **NOT allowed to remix or add vocals or elements to our music and make a new song**.

Good Luck!
